Hi Megan – Sorry this took a little while to get an answer, but DSS says they think this is ok to provide assistance to the second sister, provided they aren't minors and living with their parent(s).

Hi Megan - This is one I had to send over to DSS for guidance. I'll let you know when I hear back.

**Subject:** Housing Question

Hi Emily,

I have a situation where two sisters, who live together, were pregnant at the same time and enrolled in ATA, separately.

The first sister has maxed out her housing assistance (3 assists since Feb) and now the other sister would like to start requesting assistance. I want to run this by you first because I know in federal housing programs, all the people who live within a home are a household; but I wasn't sure if that was how I should regard this particular situation.

Let me know :)

## Thanks!

## Megan
